“ Long time ago, late 90's I believe, We had a big cook-out labor day weekend. We invited Ray and Wanda, The Lewis' and their kiddos. It was a wonderful time, we ate to much and had great conversations. Wanda and I were in the kitchen, I was cutting up a cantaloupe. I only had the one and I was worried about not having enough for everybody. Wanda says, "I cube mine , that way there will be enough for everybody." To this day I still cube my cantaloupe. She was a wonderful soul and said what she meant.
