“ Others have captured so much about Aunt Wanda--her selfless care for others, her abundant intelligence and humor, her generous hospitality. It is the highest compliment to a mother of sons when they choose to marry women with the best qualities of their mother. It is high praise to a mother-in-law when her daughters-in-law stand with her until the end. Aunt Wanda's brother and sisters have lifelong memories of the best of sisters--memories that grew to include their spouses and children as their families grew. Each of us nieces and nephews were blessed to have amazing aunts and uncles. We could look forward to a card from Wanda on our birthdays or other reminders that we were in her heart. I know that she will always be in mine.
