“ Uncle Wayne & Aunt Margaret were examples of two of the most classy people. They truly found their life soul mates in each other. Wayne was such an accomplished business man and the entire family is so proud of him. Whenever I make Margaret's homemade Chocolate pie recipe (the best), which I make to often, I smile and think of her warm & gracious heart. Also, the entire family is so blessed by her amazing efforts in researching our family tree and sharing it.

We will miss these two special people. But rejoice in seeing them again in Heaven. Wayne will be selling us are heavenly rides.

Much love,  
Lisa Volder
