“ Wanda,

Dub became a special person to Shauna and myself in a very short time of getting to know him here in Ruidoso. I remember all of the hard work he did on the house and how much he was looking forward to spending time here. The time was short but it was special and as we approach Thanksgiving, never will a Thanksgiving go by that we will not think of Dub and how he loved Shauna's cooking on that Thanksgiving 2 years ago, he blessed us by letting us do that for him. Thanks for sharing him with us for that brief time in our life, we see him in Heaven some day!

“ Sympathy and prayers are sent from our family to Dub's family. I worked with and for Dub at Boyd Smith's for several years in the mid-1960's. He was very knowledgeable about automotive equipment and I was very grateful for his ability to train me and to work with. He taught me much about how to treat customers and people in general as well about repairing equipment. I was able to use those learned skills to become a service manager for a large air compressor company in Houston. Many times when I traveled back to Lubbock, I would visit him at the Rustic Shooting Range in the canyon where we would share old stories and talk about our old jobs. All who knew him will certainly miss him. Tommy Key and Family
