“ *I've been friends with Gena for over 20 years and he was always the nicest man. He cared deeply for his family and was a great dad. I'm so sorry for this great loss. My prayers are with this sweet family as you all grieve the loss of your husband, father, and grand father. May God bring you all healing, peace, and comfort during this difficult time. Love Walter and Dana Bell.*

“ I was a kid but when he taught me how to play spades card game. It was a fun time. I remember going for long walks at the mall and having lunch during summertime. He never once complained if he was tired or hurting. A wonderful memory ❤️
