

## William Hamilton Lowell

January 31, 1944 - February 24, 2020

William Hamilton Lowell died peacefully at home on Monday, February 24, 2020 surrounded by his loving family and cherished dog, Bella. Family and friends will celebrate his life at a memorial service on Saturday, February 29, 2020 at 4 pm at St. Stephen's Episcopal Church. Prior to the service, the family will receive visitors at 2:30 pm at the church.

Bill was born January 31, 1944, in Miami, Florida, to Mary and Hamilton Lowell. He was the big brother to a sister, Betty, whom he loved dearly. Bill received an Associate's Degree from Marion Military Institute, Marion, Alabama, in 1965 and a BA from the University of Alabama in 1968. A true patriot, Bill served in the Army in Gelnhausen, Germany 1968-1970. In the early 70s, Bill's work as a Cotton Industry Specialist led him and his family to Lubbock, and he decided to make Lubbock his home. Upon receiving his General Securities Principal License in 1989, he was fortunate to actualize his true passion with the establishment of Lowell Wealth Management, his current financial advisory practice. As an outgrowth of this passion, Bill hosted a weekly PBS program entitled Viewpoint, a perfect combination of his love for the industry and of communicating. His passion for his business infused his daily life as his enthusiasm shone through any conversation regarding the financial industry. His television was consistently tuned to CNBC, and his laptop and charts were ever present whether at work, at home, or on vacation. It wasn't work to him. He truly loved his job.

Bill's love for his work was only exceeded by his love for the people in his life.

Diane was the love of his life. They enjoyed traveling together and with family and friends, making memories to last a lifetime. He adored her, and she was first in his mind and heart always. He was also an amazing Girl Dad before Girl Dads were cool. His love for Blake and her prominence in his life was unmistakable to all who knew him. His friends were family and held a special place in his heart. He treasured his time with them. His kindness and love for others radiated through his amazing smile, his twinkling eyes, and his infectious laugh. Those who knew him will always remember his “Bow Tie Fridays” and his affinity for great hats. He was a consummate gentleman and a cherished friend to so many. To know him was to love him. Bill enjoyed living in Lubbock and served on numerous community boards through the years including: Texas Tech Museum, LHUCA, Marion Moss Foundation, Civic Lubbock, Friends of Music of Texas Tech, American Cancer Society State Board, and the Texas Tech School of Nursing Graduate Advisory Board. Bill is survived by his wife of 54 years, Diane West Lowell; daughter Elizabeth Blakemore Lowell of McKinney and his sister Lelia Elizabeth Maverick of Fort Lauderdale, Florida. Additional survivors include his chosen children Martellena Espino-Barros and Foroozandeh (Kris) Nasserzadeh Nouri; and chosen grandchildren: Mairead Evelyn (Maggie), Caitlin Annice (Caiti), and Seaghan Thomas (Jack) Nolan. Bill was preceded in death by his parents.

The family requests any memorials be made to LHUCA, Texas Tech University Friends of Music, St. Stephen’s Episcopal Church or the charity of your choice.

“ Sweet Blake,

*I am so sad for you. It is so difficult to lose a parent and to lose one of the rudders in your ship of life. I have your picture in my office and think about you everyday and please know that you and your mother are in my prayers. I love you sweet girl.*

“ *Mr lowell will be missed he was a great person and was caring. I will always remember when I would come to his office to visit my mom(teri) . And he would always come to talk to me and ask me how the road was treating me. I enjoyed his conversations cause he always had words of wisdom. He was part of our family for so long and really appreciated him. Rest in peace and you will be missed.*

“ *Blake and Diane, my heart hurts with yours. Oh how it hurts. As I have very recently walked this journey, I have so been living in memory lane. As I read the news of Bill's passing, so many high school memories flood my soul. His infectious laughter as we told him the story of Blake learning to drive my standard car. His warm hugs when I came to the house for an after school visit. The sweet words of encouragement when he found out I was getting married. So many years have swept by but Bill was one of those people that forever touched me in a profound and positive way. Getting to tell my adult children and my sweet granddaughter about this amazing man was a grand treat. I know he loved Jesus and he showed it in his everyday self. Best gift ever. Much love for you and know that the Halls are on our knees for your family.*
