*I appreciate you doing a video of the service. Zola and I went different paths, I was a Baptist, played basketball, and never involved in scouting until my children were involved. I moved to Sweetwater in 1986 and Synder was one of the schools that was in our district most of the time; however, I did not know Zola was in Synder. We probably attended events on the opposite sides of the gym. Sorry for your loss, Malva and family. May God carry Zola's family when they need the Comfort of our Saviour, Jesus. Zola is reunited with her grandparents Coffman and father and is in no pain, Praising her Saviour, Jesus. Your sister in Christ,

“ Zola was absolutely one of my favorite people to work with. I could go into her office and she’d immediately have a calming effect. She was loved dearly at our company. Her mansion in heaven is one of the finest I am sure of it!

“ My childhood is filled with memories of my cousin Zola. Her warm friendly smile was a big part of those memories. We played in our great grandfather’s orchard, gave concerts on our grandmother’s piano & shared adventures at Girl Scout Camp Rio Blanco. The highlight of my 50th high school reunion was slipping away with my sister to spend the day with Zola, Malva, & their mom, Zelda, eating Russell’s delicious pizza. My heart goes out to Kellie & Russell. Your mom was so proud of both of you!
With love & prayers for the whole family~

“ Zola

A very intelligent , loyal and hard working woman. I had the pleasure of working with Zola for a few years . Zola was very passionate about work, family. Crustys and everything she did. She really loved the Lord and some of our best conversations were over our love for Christ. She loved her family and was very proud of her children. You will be missed Ms Zola 🙏

“ Zola was my cousin. My sister Charlee and I would visit our Uncle Harold and Aunt Truby in Anton in the summers back in the 50's and 60's. We played together and got to know one another. Zola and I reconnected via Facebook, and I have been happy that she had two children and a happy life. I was sorry to hear of her last illness and passing. I join with her immediate family in mourning our loss.

“ What fun Zola and our clown group had together!! She also served on the board of His Joy Ministries for several years! A person that I could call a good friend! Her laugh and smile was delightful! Even though I've seen her very little since she moved to Lubbock, she always brought joy to my heart when I thought of her. Praying for you kids.

So sad to hear of Zola's passing. Zola & Malva are my cousins on the Teague side of her family. Although we did not see each other often, Zola was always so much fun and had such a sweet, kind spirit. We spent time together with the cousins at the Teague-Miller Family Reunions in MacKenzie Park in Lubbock. My thoughts and prayers go out to her children, Malva and Zelda.
